Subject: Termination of Suspension of Mining Operations, Randolph Mining Company, Dusty Mine, S/037/063, San Juan County, Utah

Dear Mr. Randolph:

On September 8, 2003, the Division notified you that your mining operation was placed in suspension for failure to pay the required permit fees for year 2003. On September 18th, we received your permit fee; therefore, your mine status is no longer listed as being in suspension. Operations may resume as before.

You stated that you did not receive a first notice. The first billing notices were sent out on June 27th. Your billing notice was not returned to us, so we had no way of knowing that you did not receive that notice.

The fee payments are due annually by the last Friday in July, until your permit is fully released and you have received written notification that the file is closed. Thank you for keeping your mine permit in good standing.

Sincerely,

D. Wayne Hedberg, Permit Supervisor
